

The following information was derived from Global Outreach Doctors audited financial statements for the year ended December 31, 2017. In our report dated March 27, 2018, we expressed an unmodified opinion on those financial statements in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. We believe that the audit evidence we have obtained for the complete financial statement summarized below present fairly, in all material respects, the financial position of Global Outreach Doctors as of December 31, 2017. The full audited financial statements are available upon request to select individuals and organizations.
